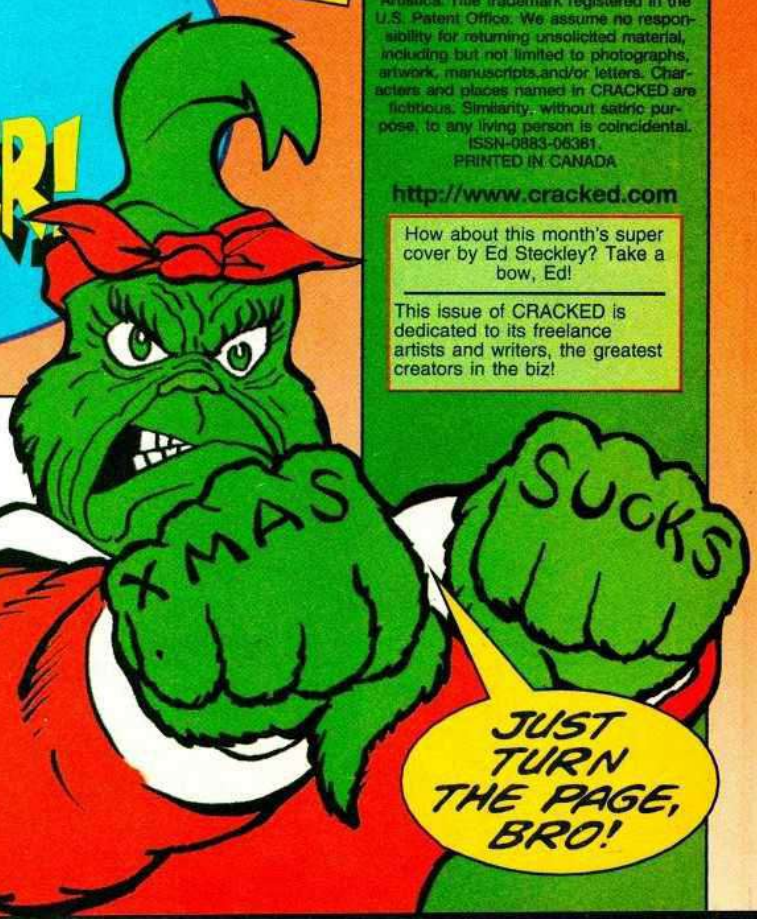
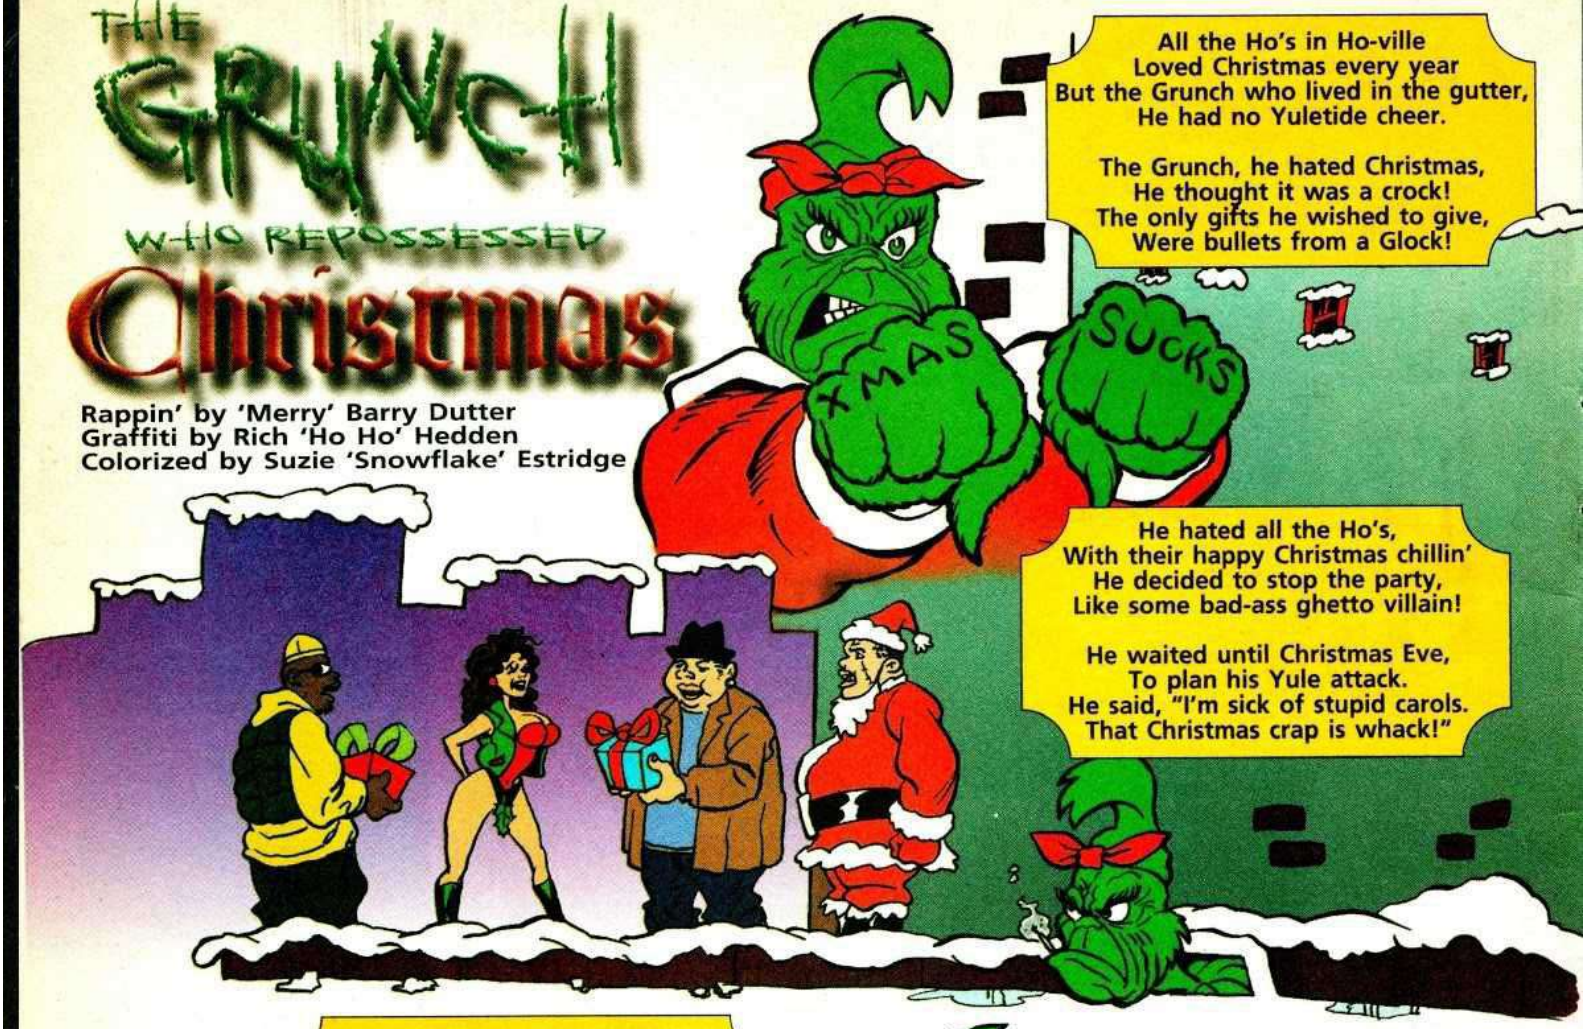
WE DO SOME CHRISTMAS RAPPIN' WITH . . . THE GRUNCH!



The Grunch Who Repossessed Christmas

Rappin' by 'Merry' Barry Dutter
Graffiti by Rich 'Ho Ho' Hedden
Colorized by Suzie 'Snowflake' Estridge



So he summoned his pet pitbull,
Put some antlers on that dog,
Then he sat and drank a quart,
Of vodka-spiked egg-nog!

The Grunch, he made a promise,
"I'm gonna teach them Ho's real good.
I'll take their trees and presents,
I'll steal Christmas from the hood!"

The first house that he came to,
Belonged to slutty Cindy Ho.
She was the hottest Ho in Ho-ville,
That girl made lots of dough!

The Grunch came down her chimney,
The noise, it woke that Ho.
When Cindy saw him coming,
He said, "Wassup, girl! Yo yo yo!"

Cindy, she was frightened,
She said, "I'll call my pimp, Tyrone!"
The Grunch said, "But I'm Santa,
Put down that damn cell phone!"

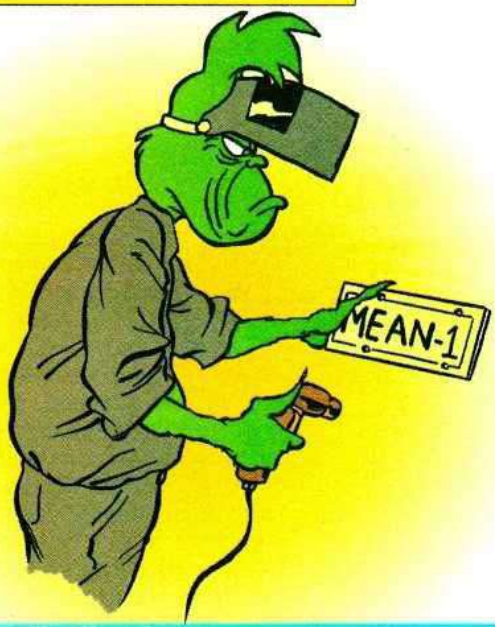
Cindy said "I don't trust you.
This late night trip is shocking."
The Grunch said "I've got something,
I wanna stick inside your stocking!"

Cindy cried, "You pervert!"
She really was quite miffed.
But the Grunch reached down into his pants,
And he pulled out his gift!

This present was just the right size.
Cindy grabbed it in a flash.
It was the thing every Ho most wants:
A big ol' wad of cash!

Cindy thanked the Grunch,
As his dog peed on her tree.
She said, "Thank you for the money."
Next year I want an SUV!"
The Grunch he was relieved,
Though he was mad about the money.
"I just spent two hundred bucks," he griped
"And I didn't get no honey!"
The Grunch he then departed,
He left without a scrape.
He entered the next building,
He came through the fire escape!
The place, it was a tenement,
It was filled with rats and bugs.
In the back room, on the table,
Was a pile of illegal drugs!
There was a dirty deal going down,
In that house, so cold and dark.
But no one knew that the buyer,
Was an undercover narc!
YO MAMA
The cops, they broke the door down.
They knew just what to do.
The way they swung their mighty clubs,
The Grunch turned black and blue!
They took him to the station,
And fingerprinted him.
They threw him into a dirty cell,
With a big bad Ho named Slim!

The Grunch, he hated prison.
It wasn't very fun.
But it gave him time to think
About what he had done.



He began to ponder,
As he ate a grungy meal.
He said, "I think I'll call my agent,
And arrange a big book deal!"

The book, it was a huge success.
A movie deal came next.
Then came lots more offers,
And lots of great big checks!

The Grunch he was released from jail,
And said "Now I realize,
This Christmas gig, it ain't so bad,
Since I learned how to merchandize!"

It seems the Grunch had come to terms,
With the Yuletide holiday.
He said, "As long I get get my share,
I guess Christmas is okay!"

And so the Grunch loves Christmas,
This turn of events is quite funny.
Now it's his favorite season,
Cuz it's when he makes all his money!

It's a Cracked Cracked Cracked

Guess who's 'Cummings' to dinner!

Have you been checking out the home shopping channels at 4 in the morning lately? If so, chances are you've seen the work of Frank Cummings. For in addition to being one of CRACKED's top parody artists, Frank also does promotional designs for big-time celebrities like Richard Simmons and Marie Osmond!

Every time you get your monthly newsletter from Richard Simmons (you are a subscriber, aren't you?), that's a Frank Cummings caricature on the cover. Whenever you order a Marie Osmond doll from QVC, that may be Frank's art you're seeing on the package. (Frank has probably drawn more pictures of Richard Simmons than any other artist, and that's a scary thought!)

Frank is a good ol' boy who currently parks his pickup truck in Birmingham, AL! (He leaves it on the front lawn, next to the refrigerator!)

Artist Frank Cummings!

Frank, describes himself as a "very immature 41-year old!" A self-taught artist, he notes that "I've been trying to draw comics since I was a kid." Before joining the CRACKED crew, Frank took a stab at running his own humor mag — "Jab," which ran in the early '90s.

Weight-loss guru Simmons was impressed with that mag, and hired Frank as his Art Director a few years back. He's also been trying to get Frank to exercise ever since! As an artist, Frank has a natural aversion to any sort of physical activity, noting that "I'm turning into a soft, pudgy, middle-aged white guy!" In other words, he spends more time sweatin' deadlines than he does "sweatin' to the oldies!"

Asked to name his influences, Frank lists "Jack Davis, Mort Drucker...Walter Brogan is a hero of mine. I like so many different styles. Severin is a legend. Mike Ricigliano — I love his sketchy style."

Frank first started freelancing for CRACKED in 1993, and he has been doing movie and TV parodies ever since. (Sadly, he has never had the chance to illustrate his dream project: a spoof of Hee Haw!) Asked to name a favorite movie that he has parodied, Frank joked, "I enjoyed Battlefield: Earth as much as anyone else who saw it! The theater was nice and roomy, and I got to put my feet up!"

As the only cartoonist in his small town, Frank is a celebrity. "Whenever the new CRACKED comes out, kids come around for autographs and sketches!"

Among the trailer park crowd, Frank is almost as popular as the guy who won the burping contest at the county fair!

BUT CRACKED . . .

Dear Editor,

I noticed lately you've been putting Eminem in your mag a lot lately. Is he going to join Regis, Ally McBeal, and Britney Spears in your cast of celebrities that you make fun of every month, until you beat the joke into the ground?

Marsha Mathews
Philadelphia, PA

Yes, Marsha: you're absolutely correct! Eminem is now a proud member of the CRACKED Running Joke Club! You can count on us using Eminem jokes every chance we get, for as long as he is popular!

We'll probably be giving Ally McBeal a rest, though. She no longer carries as much weight in this office as she used to! (Er, perhaps we should rephrase that...)

Dear CRACKED,

First off, I love your magazine. I found your article in issue #347, "Phamous Pharts" to be a real gas. But after reading it over a couple of times, I noticed you all left out one major phart: the TEAR GAS!

I noticed that quite a few cartoons in this issue contained Phart jokes: the "Burger Bob" 'toon at the back of the book, the "Patriot" parody, and the "Fart Relief Valve" gag on page 12!

Also, I howled laughing at the Mr.Precious "Lawn Dart" 'toon. Keep up the good work, dudes!

Scent-serely,
Robert (via e-mail)

That's CRACKED for you: stinking up newsstands every month, since 1957!

Dear CRACKED,

I enjoy your spoofs and parodies. But one parody that neither you nor MAD have picked up is commercials. Commercials today are aggravating, boring, dull, idiotic, unrealistic, preachy, and downright awful.

I love your magazine! It's soooooo funny! The first issue I bought was the *Men In Black* one, I think it was back in '96. Say hi to Sylvester for me! Thank you!

Adrian Nava

Sylvester says "hi" right back atcha!

Hey CRACKED,

What's up? I just want to tell you that you're awesome! I buy your magazines all the time.

I love CRACKED Magazines. They're hilarious.

I think you should make a parody of Deuce Bigalow, Male Gigolo. Keep up the good work.
YEAH!!!!!!!!!!!!!

— Via the Internet

Thanks, Neutron! It may be too late for us to parody Deuce Bigalow, but that definitely was one funny movie!

Even our CRACKED film critic, Cecil, liked it! It gave him an idea for a post-high school career!

Dear CRACKED,

So far, I have only three issues of CRACKED, but they're all in order. After I got my first issue of CRACKED, I bought a (competitor's) magazine.

I read it once, but didn't like it as much as CRACKED. Could you send me an e-mail and tell me about the Halloween, Thanksgiving, and Christmas issues, because I'm anxious to know.

Keep up the good work.

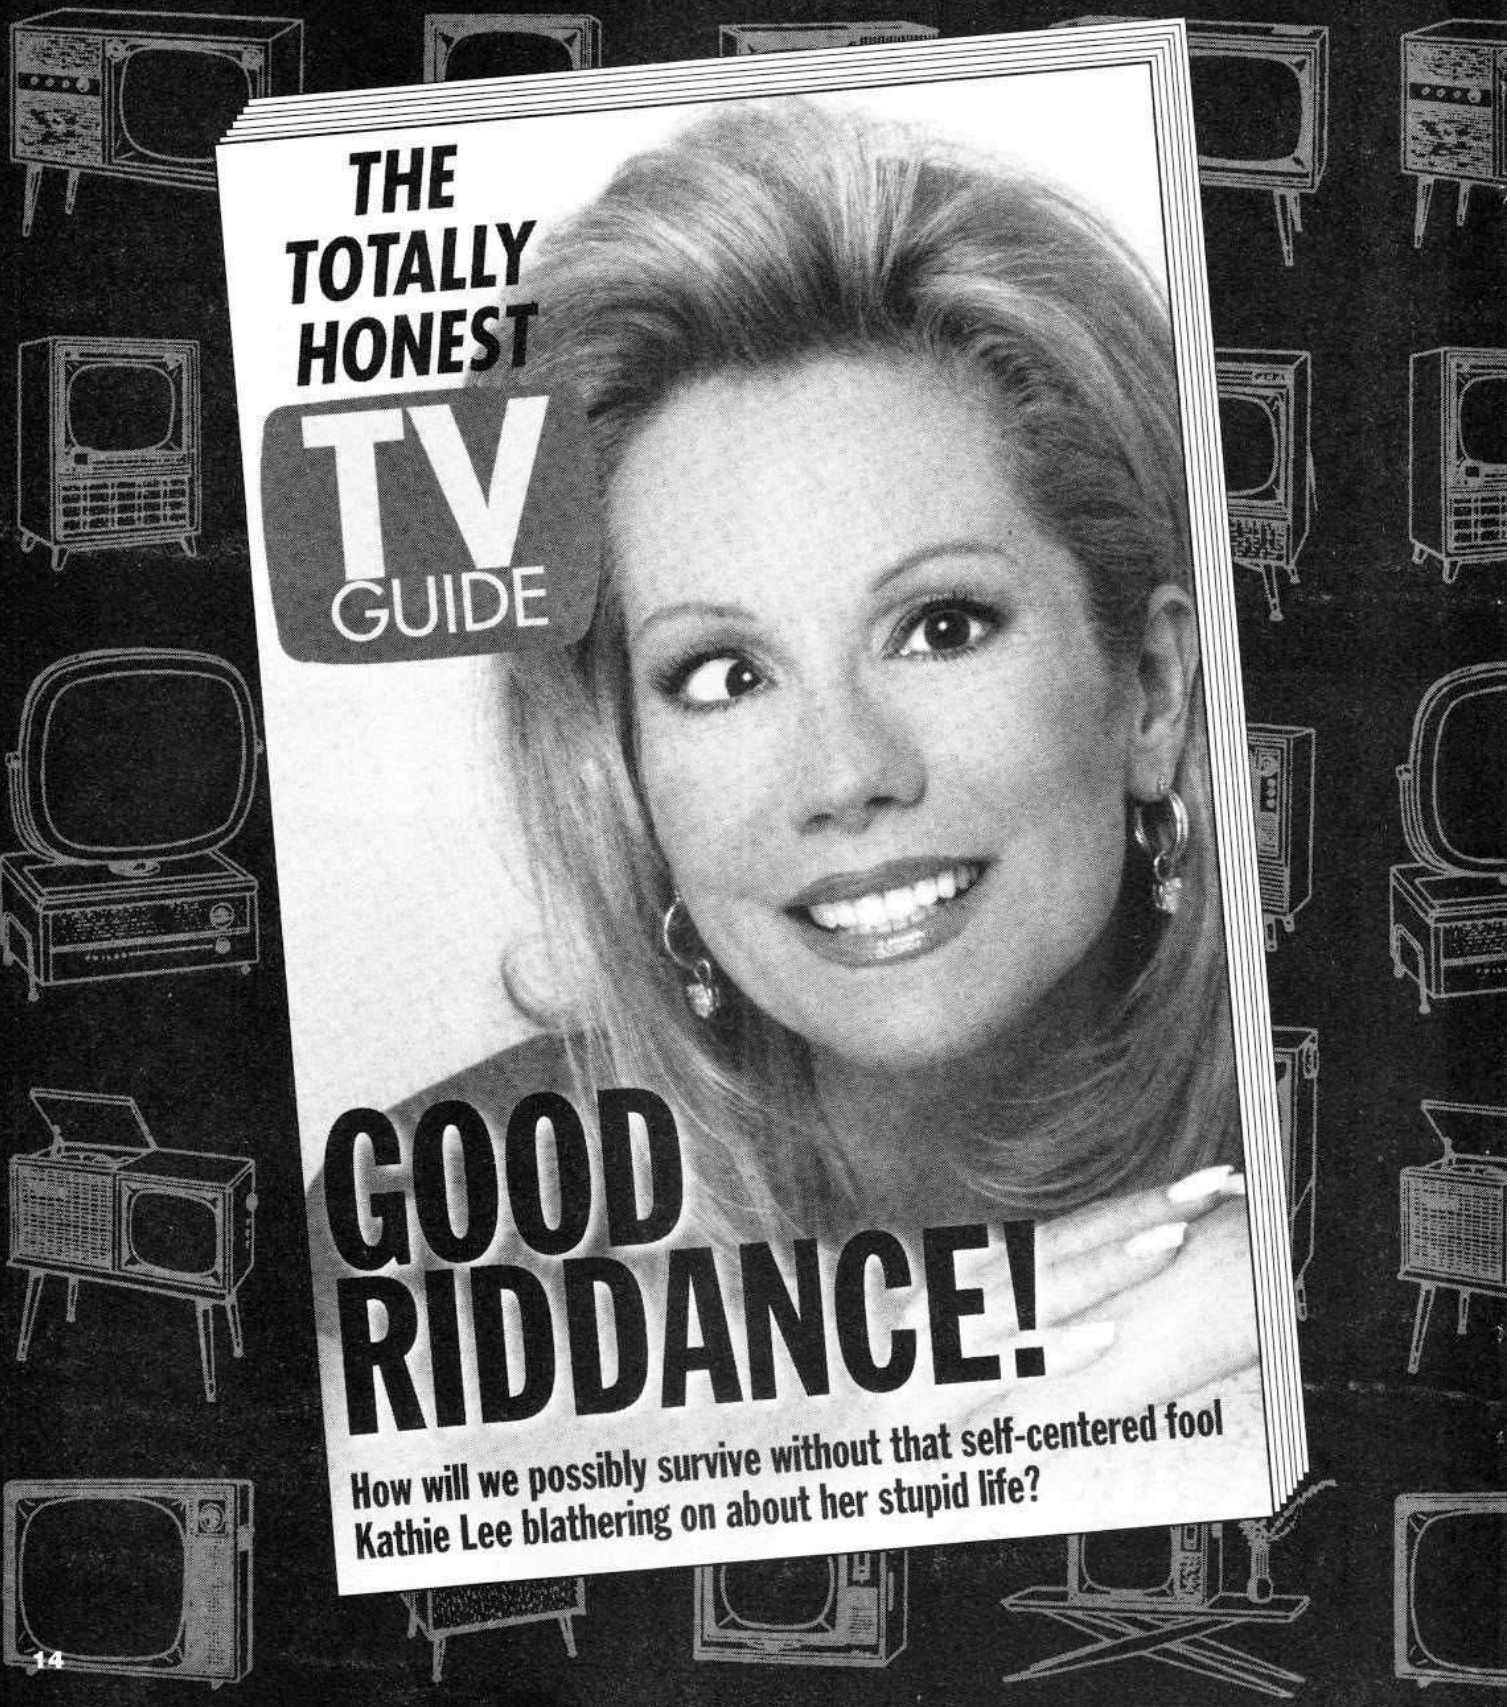
We at Cracked believe honesty is the best policy. Therefore, we're advocating a whole new approach to journalism — total honesty. And where better to start this brave new venture than with the most well-read magazine in the land. No, not us (we wish!). We're talking about that bible for couch potatoes everywhere, the one journal they can't live without, the TV Guide. So here's a peek inside...



7:00 (3) **CBS News—Dan Rather**
The fun of this show is waiting to see when Dan Rather is going to snap on camera

(4) **NBC News—Tom Brokaw**
When Tom says words with r's, l's and w's, it's almost as entertaining as watching Dan Rather.

(6) **ABC News—Peter Jennings**
Is it just us or does Peter Jennings always look slanted?

(FX) **FOX News—?????**
Bet you didn't know FOX had a news channel. Either does FOX.

(E) **E! News—A couple of airheads**
News? On this channel? It is if you consider Madonna getting a new bra a news item.

(22) **Wheel of Fortune—Game**
What people too dumb for *Jeopardy* watch.

(PBS) **Lawrence Welk—Music**
Music by dead people for dead people.

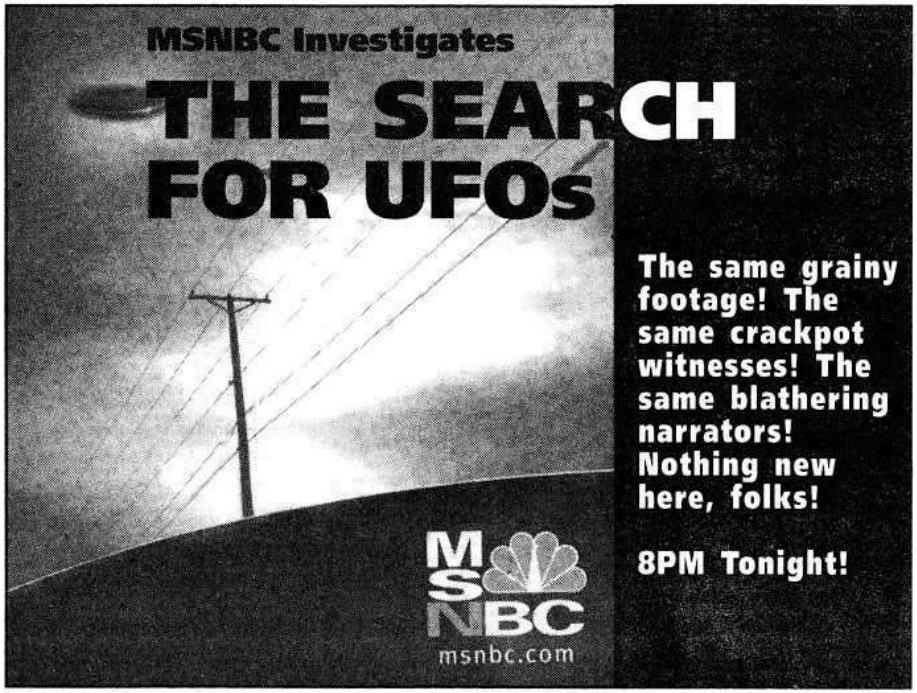
8:00 (6) **Who Wants To Be A Millionaire?—Game**
Contestants allowed to do what other games would call cheating (lifelines, audience polls) to answer questions *Jeopardy* contestants could answer in their sleep.

(7) **Drew Carey—Comedy**
Blue collar fat slob sitcom.

(10) **Everybody Loves Raymond—Comedy**
Loser with a whiny wife, repulsive parents and an even bigger loser for a brother.

(11) **Frasier—Comedy**
An effeminate man and his effeminate brother are portrayed as heterosexuals even though these are the gayest characters on TV.

(13) **Jesse—Comedy**
The usual lameass slop that nobody would watch if it didn't follow *Friends.*



8:30 (6) **Two Guys and a Girl—Comedy**
We'd settle for two writers and a plot.

(7) **3rd Rock from the Sun—Comedy**
Overacting that makes Pee Wee Herman seem subtle.

(9) **Will and Grace—Comedy**
Gay man, straight woman. Oooh— aren't we cutting edge?

(3) **The West Wing—Drama**
A White House staffed by dedicated, trustworthy, idealistic politicians. Makes *Harry Potter* seem like non-fiction.

(3) **That '70s Show—Comedy**
Just like the '70s, only without the humor.

(LIF) **Lifetime Movie of the Week**
Why does the woman's network always show these awful movies where the women are victims?

(COM) **The Man Show—Comedy**
Two dolts and scantily clad women.

(CNN) **Washington Week In Review—Discussion**
Tonight: Bill Clinton (one dolt and scantily-clad women).

(PBS) **Great Performances—Drama**
Yep, great, boring, high-cultured, limited-appeal, low-rated performances.

(MSN) **MSNBC News—Brian Williams**
Completely impartial coverage of big topics like Microsoft by a newschannel co-owned by Microsoft? You do the math.

(FX) **NYPD Blue—Drama**
Take away the shaky camera and Dennis Franz's ugly butt and what have you got? Nothing.

(COM) **Daria—Cartoon**
She's cynical, she's cool. She's everything but funny.

9:00 (3) **Touched by an Angel—Drama**
Forget the angels— why can't God send down better writers for this crappy show?

(4) **Veronica's Closet—Comedy**
If you're not on *Cheers* anymore, you suck.

(5) **Becker—Comedy**
See *Veronica's Closet.*

(7) **Just Shoot Me—Comedy**
The kind of painfully unfunny show David Spade used to ridicule on *SNL.*

(9) **Norm—Comedy**
Another guy from *SNL* in a show that sucks.

(11) **Star Trek Voyager—Science Fiction**
William Shatner was right: it's time to move out of your parents' basements and get a life.

Wassup! This is Cecil, the CRACKED movie critic, bringing you another one of my phat movie reviews!

Over the years, there have been lotsa sucky movies made from old TV shows: THE MOD SQUAD. McHALE'S NAVY. SGT. BILKO. Now Hollywood is trying again, creating a big-budget movie based on another old show. And we're not talking about the A TEAM. It's more like the T & A Team! Yep, this time, they finally got it right: they brought back those three sexy private detectives in bikinis and updated them for the new millennium as...

PAT PAT

But they found these jobs were not satisfying...

You look so good in my designs!

What's the difference?

Mr. Valentino, I'm over here! You're talking to a mannequin!

So they left those jobs and came to work for me...

Waitress! Where's my food?

Maybe if you left bigger TIPS, you'd get better service!

Yeah, well maybe if you had bigger...

CRACKED

DON'T even GO there, buddy! I already had these puppies reduced!

My name is CHARLIE! I own a detective agency that employs only hot women! I have a very strict hiring policy: all my employees must be eligible to work at Hooters!

My name is DULLAN! Because of my strict anti-gun policy, me and the girls carry no firearms in this movie!

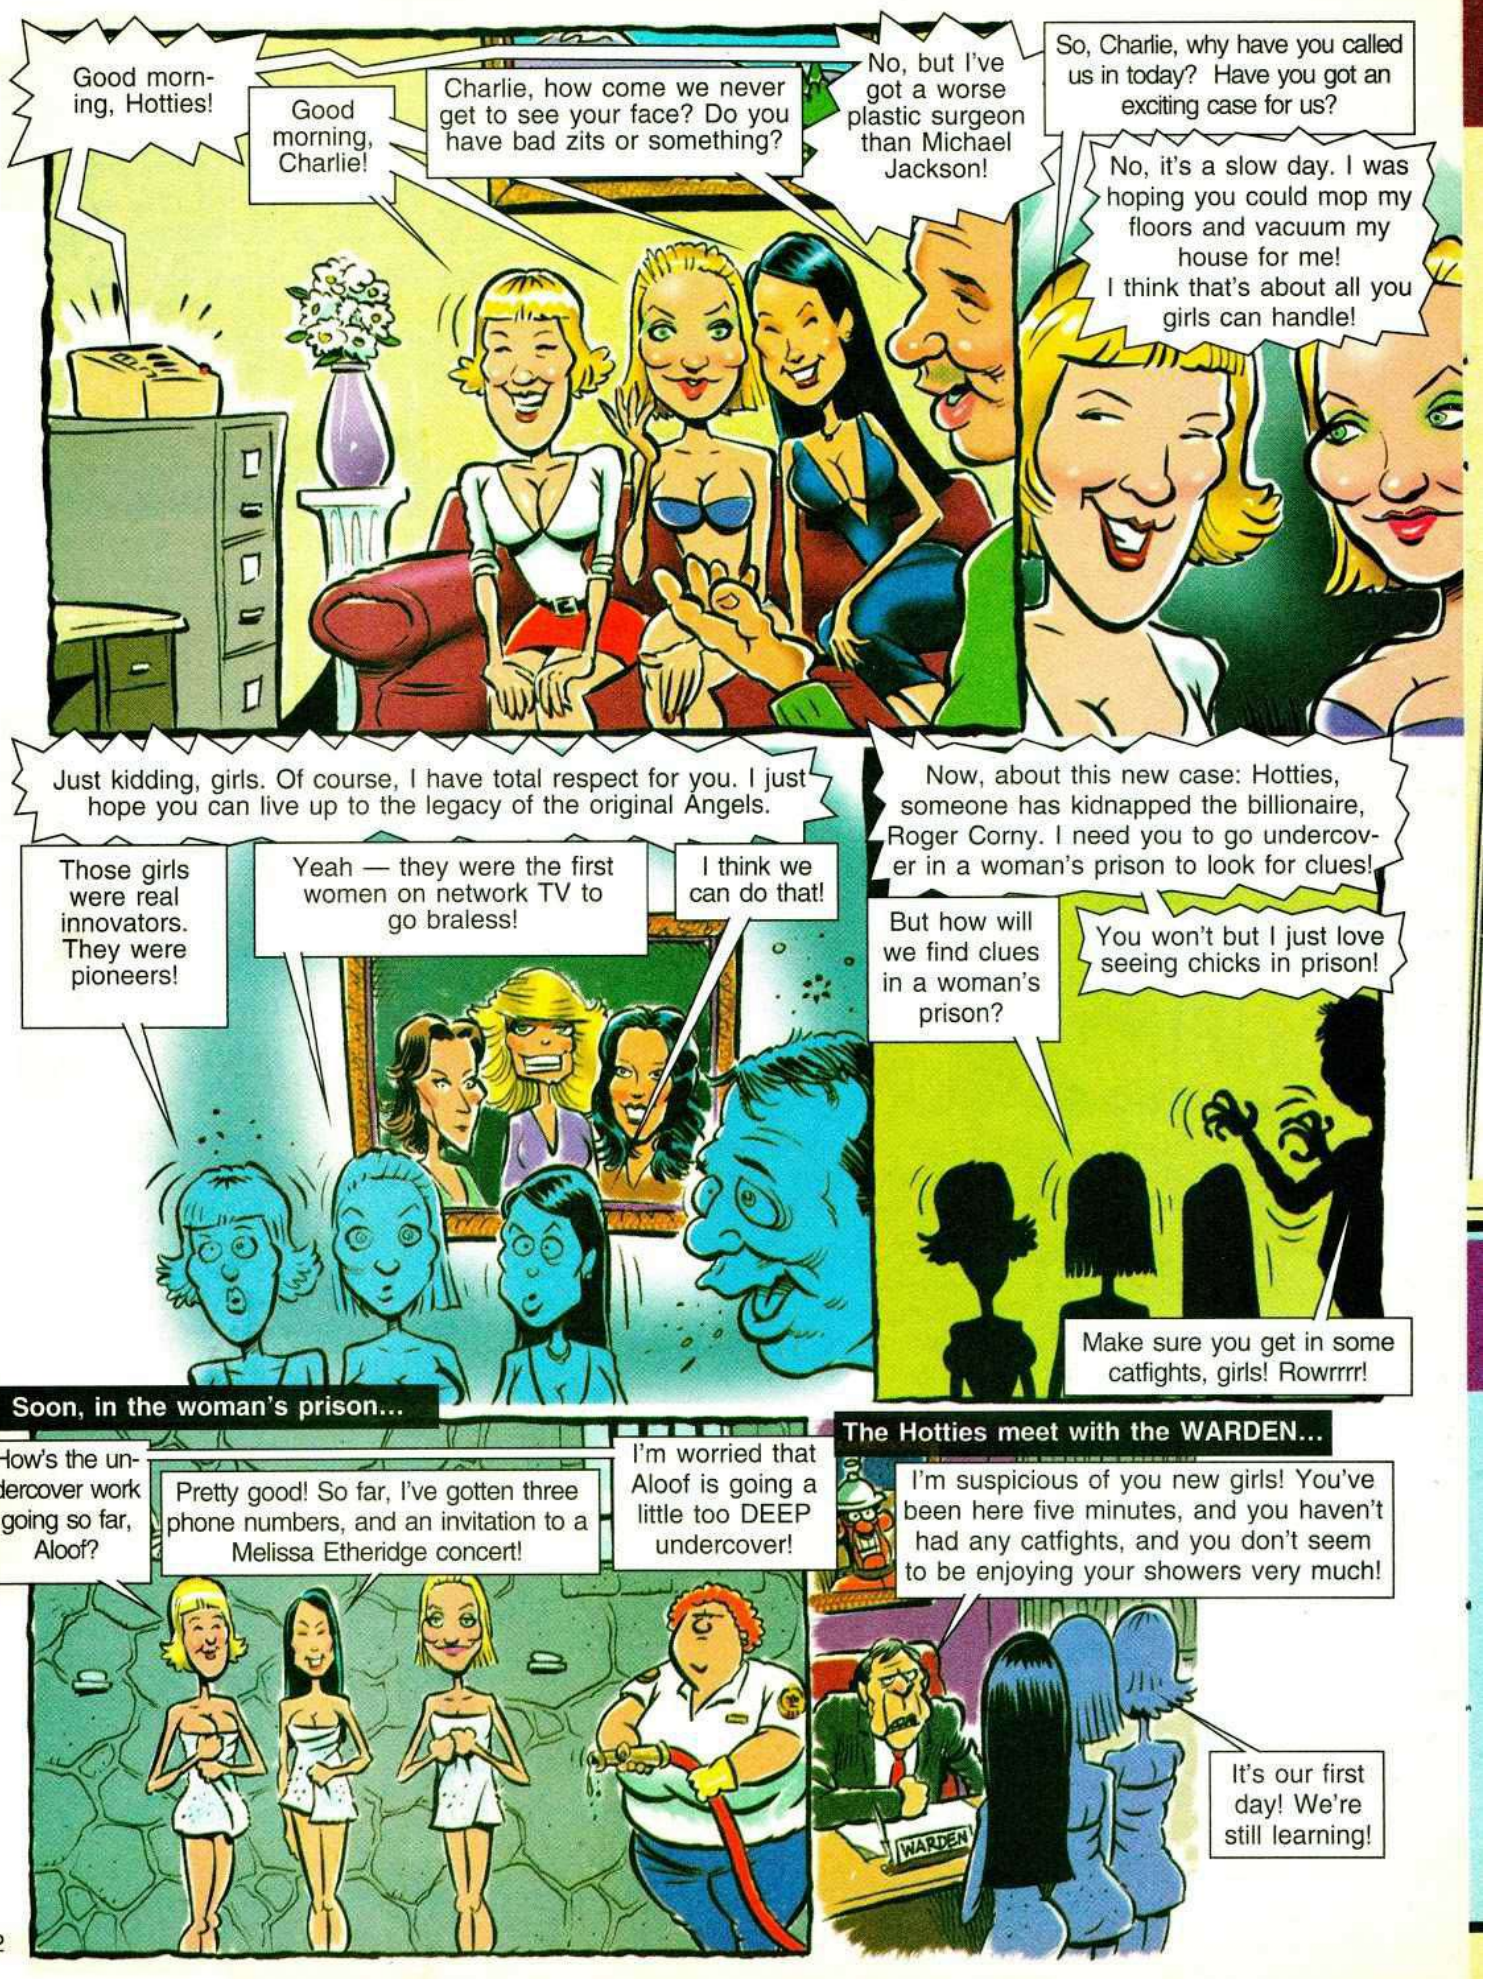
I'm the comic relief character, BOOZELY! It looks to me like you're packing a couple of concealed weapons — and they're fully-loaded!

I'm BRATTILY! My goal is to be the skinniest girl in this movie!

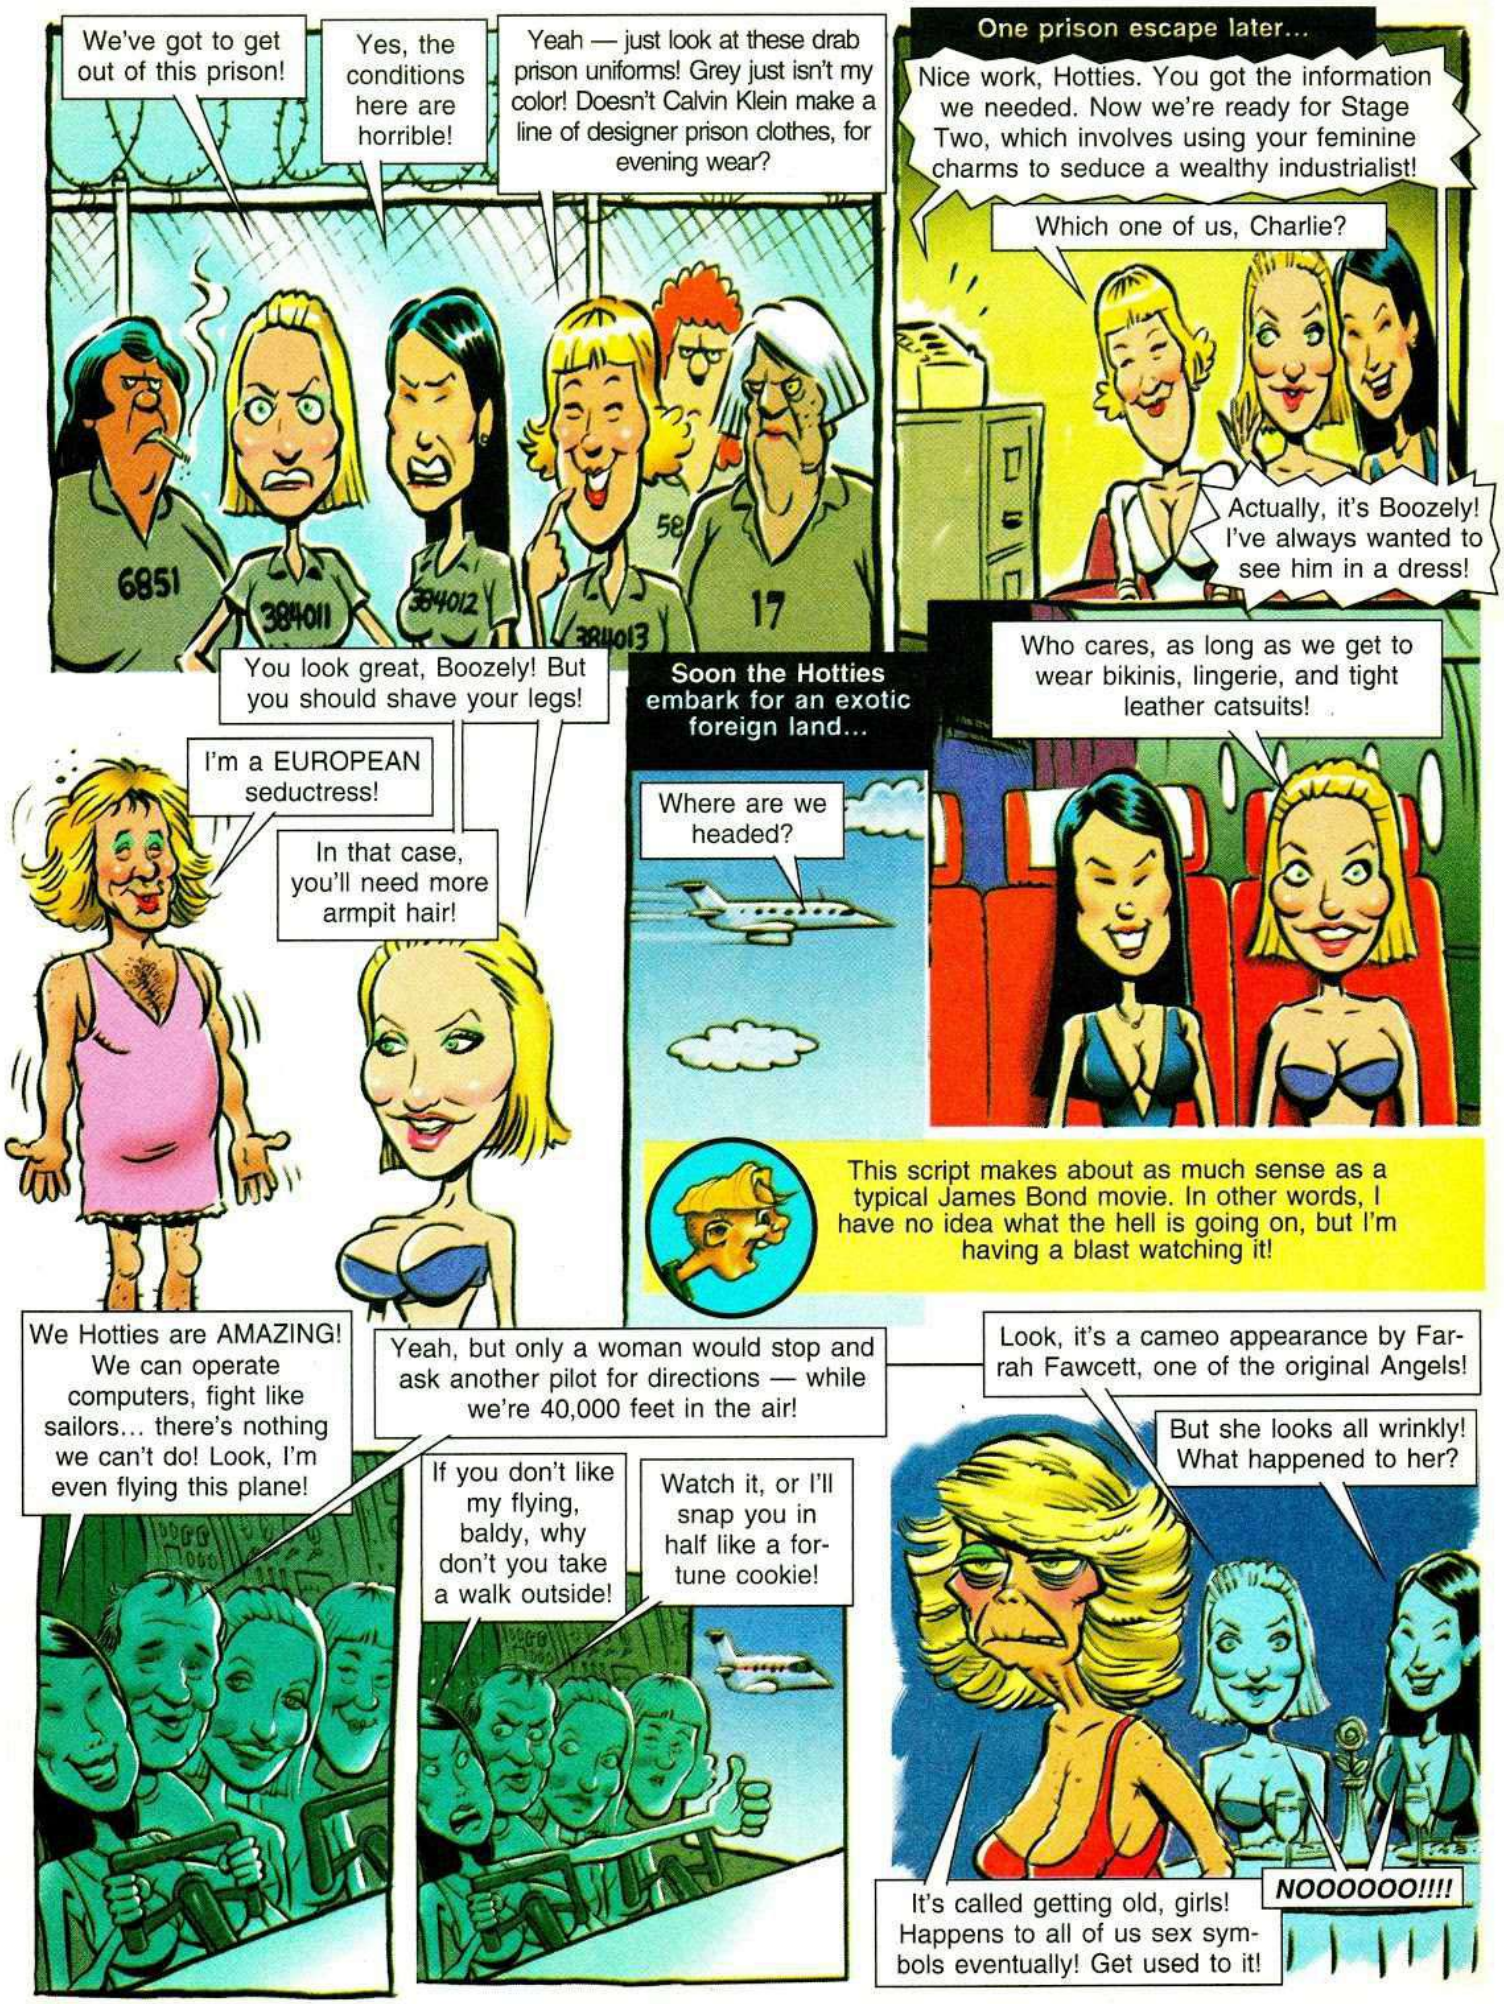
I'm ALOOF! If you think YOU'RE skinny, you should see this ALLY McBEAL chick I used to work with! Let me tell you something, sister, compared to her, you're a freakin' house!

Yeah? Well if I ever need to go undercover as a supermodel, I've already got plenty of practice sticking my finger down my throat!

CUMMINGS



Good morning, Hotties!
Good morning, Charlie!
Charlie, how come we never get to see your face? Do you have bad zits or something?
No, but I've got a worse plastic surgeon than Michael Jackson!
So, Charlie, why have you called us in today? Have you got an exciting case for us?
No, it's a slow day. I was hoping you could mop my floors and vacuum my house for me! I think that's about all you girls can handle!
Just kidding, girls. Of course, I have total respect for you. I just hope you can live up to the legacy of the original Angels.
Those girls were real innovators. They were pioneers!
Yeah — they were the first women on network TV to go braless!
I think we can do that!
Now, about this new case: Hotties, someone has kidnapped the billionaire, Roger Corny. I need you to go undercover in a woman's prison to look for clues!
But how will we find clues in a woman's prison?
You won't but I just love seeing chicks in prison!
Make sure you get in some catfights, girls! Rowrrrr!
Soon, in the woman's prison...
How's the undercover work going so far, Aloof?
Pretty good! So far, I've gotten three phone numbers, and an invitation to a Melissa Etheridge concert!
I'm worried that Aloof is going a little too DEEP undercover!
The Hotties meet with the WARDEN...
I'm suspicious of you new girls! You've been here five minutes, and you haven't had any catfights, and you don't seem to be enjoying your showers very much!
WARDEN
It's our first day! We're still learning!



We've got to get out of this prison!
Yes, the conditions here are horrible!
Yeah — just look at these drab prison uniforms! Grey just isn't my color! Doesn't Calvin Klein make a line of designer prison clothes, for evening wear?

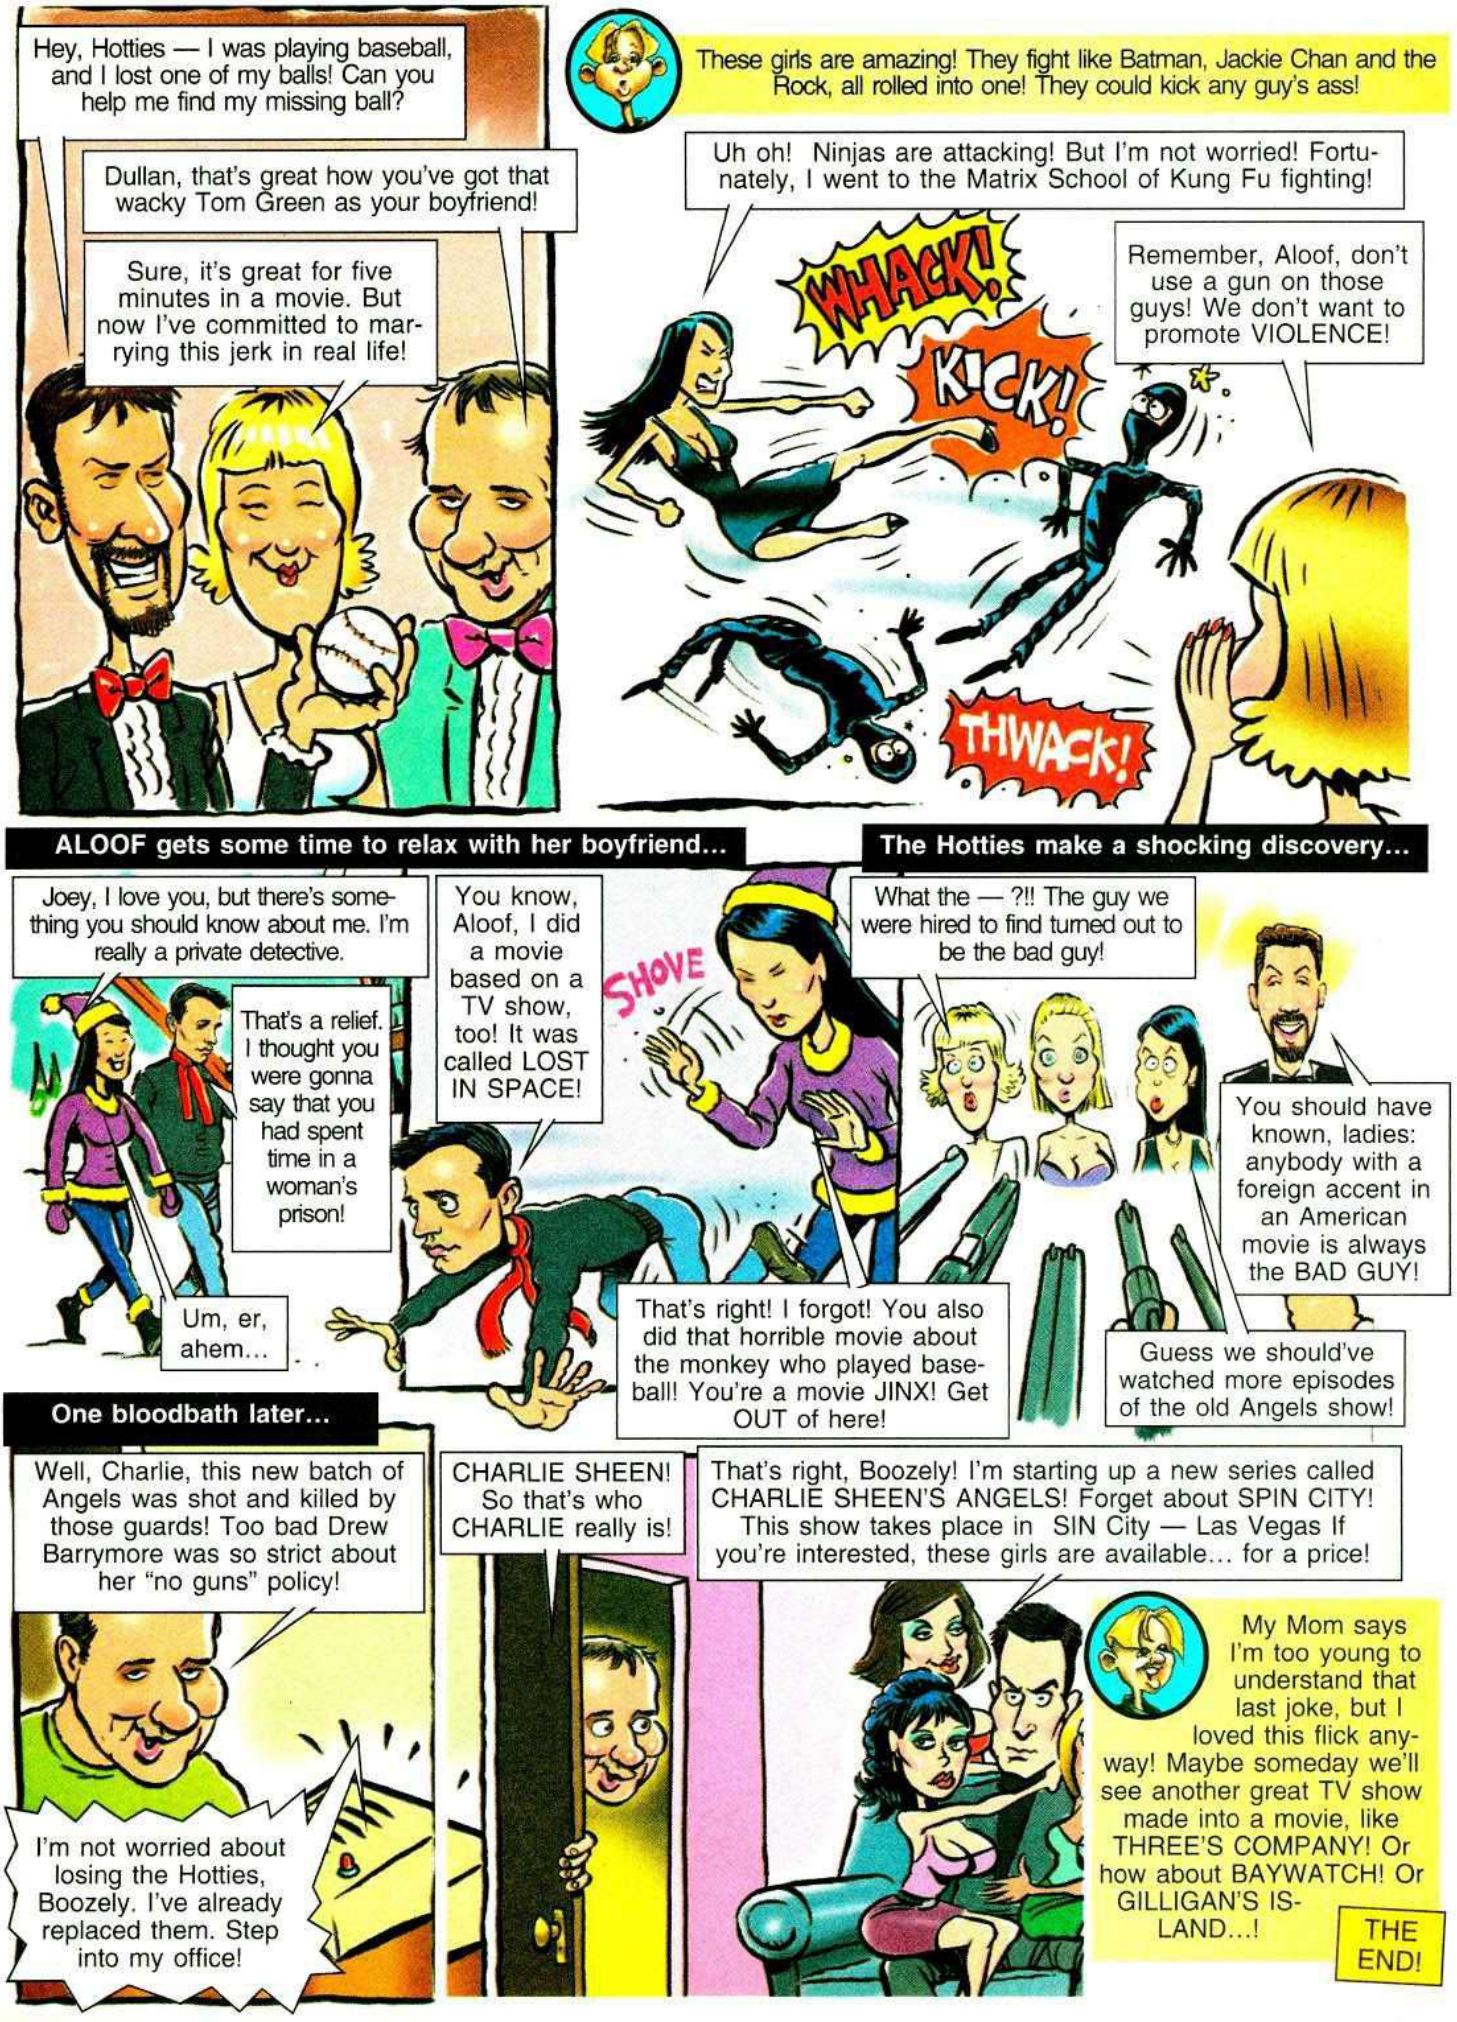
One prison escape later...
Nice work, Hotties. You got the information we needed. Now we're ready for Stage Two, which involves using your feminine charms to seduce a wealthy industrialist!
Which one of us, Charlie?
Actually, it's Boozely! I've always wanted to see him in a dress!
You look great, Boozely! But you should shave your legs!
I'm a EUROPEAN seductress!
In that case, you'll need more armpit hair!
Soon the Hotties embark for an exotic foreign land...
Where are we headed?
Who cares, as long as we get to wear bikinis, lingerie, and tight leather catsuits!
This script makes about as much sense as a typical James Bond movie. In other words, I have no idea what the hell is going on, but I'm having a blast watching it!
We Hotties are AMAZING! We can operate computers, fight like sailors... there's nothing we can't do! Look, I'm even flying this plane!
Yeah, but only a woman would stop and ask another pilot for directions — while we're 40,000 feet in the air!
If you don't like my flying, baldy, why don't you take a walk outside!
Watch it, or I'll snap you in half like a fortune cookie!
Look, it's a cameo appearance by Farrah Fawcett, one of the original Angels!
But she looks all wrinkly! What happened to her?
NOOOOOO!!!!
It's called getting old, girls! Happens to all of us sex symbols eventually! Get used to it!



Hey, Hotties — I was playing baseball, and I lost one of my balls! Can you help me find my missing ball?
Dullan, that's great how you've got that wacky Tom Green as your boyfriend!
Sure, it's great for five minutes in a movie. But now I've committed to marrying this jerk in real life!
These girls are amazing! They fight like Batman, Jackie Chan and the Rock, all rolled into one! They could kick any guy's ass!
Uh oh! Ninjas are attacking! But I'm not worried! Fortunately, I went to the Matrix School of Kung Fu fighting!
WHACK!
KICK!
THWACK!
Remember, Aloof, don't use a gun on those guys! We don't want to promote VIOLENCE!
ALOOF gets some time to relax with her boyfriend...
Joey, I love you, but there's something you should know about me. I'm really a private detective.
That's a relief. I thought you were gonna say that you had spent time in a woman's prison!
Um, er, ahem...
You know, Aloof, I did a movie based on a TV show, too! It was called LOST IN SPACE!
SHOVE
The Hotties make a shocking discovery...
What the — ?!! The guy we were hired to find turned out to be the bad guy!
That's right! I forgot! You also did that horrible movie about the monkey who played baseball! You're a movie JINX! Get OUT of here!
You should have known, ladies: anybody with a foreign accent in an American movie is always the BAD GUY!
Guess we should've watched more episodes of the old Angels show!
One bloodbath later...
Well, Charlie, this new batch of Angels was shot and killed by those guards! Too bad Drew Barrymore was so strict about her "no guns" policy!
I'm not worried about losing the Hotties, Boozely. I've already replaced them. Step into my office!
CHARLIE SHEEN! So that's who CHARLIE really is!
That's right, Boozely! I'm starting up a new series called CHARLIE SHEEN'S ANGELS! Forget about SPIN CITY! This show takes place in SIN City — Las Vegas If you're interested, these girls are available... for a price!
My Mom says I'm too young to understand that last joke, but I loved this flick anyway! Maybe someday we'll see another great TV show made into a movie, like THREE'S COMPANY! Or how about BAYWATCH! Or GILLIGAN'S ISLAND...!
THE END!

Hi, CRACKED movie critic Cecil here! There's a tradition in Hollywood that the fourth movie in an action movie series is always the worst! Look at BATMAN 4, LETHAL WEAPON 4, SUPERMAN 4, etc! But there's one movie series that will gross even more than all the others — or should that be, "gross out?" Join us now as we take a CRACKED look at Troma Studios' fourth twisted movie featuring the super-hero of suburban New Jersey . . .

The TOX-SICK Avenger!

I thought the Trenchcoat Mafia was bad, but these Diaper Mafia guys are worse, using that poor teacher as a pinata!

This sounds like a job for the Tox-sick Avenger and me, his loyal sidekick, Fat-Butt!

Why do I get stuck with the ugly heroes? Lois Lane never had this problem

Of course it's a job for me! You think Superman's gonna show up for this kind of gig?

This is a pretty tasteless scene, isn't it?

Actually, this is pretty tame for a Troma flick!

Remember, this is the studio that brought you such classy flicks as KILLER CONDOM, REDNECK ZOMBIES, and SURF NAZIS MUST DIE!!

In this film, Toxie dishes out his usual brand of over-the-top, cartoon-style violence!

Of course, it's nothing compared to what you see in video games!

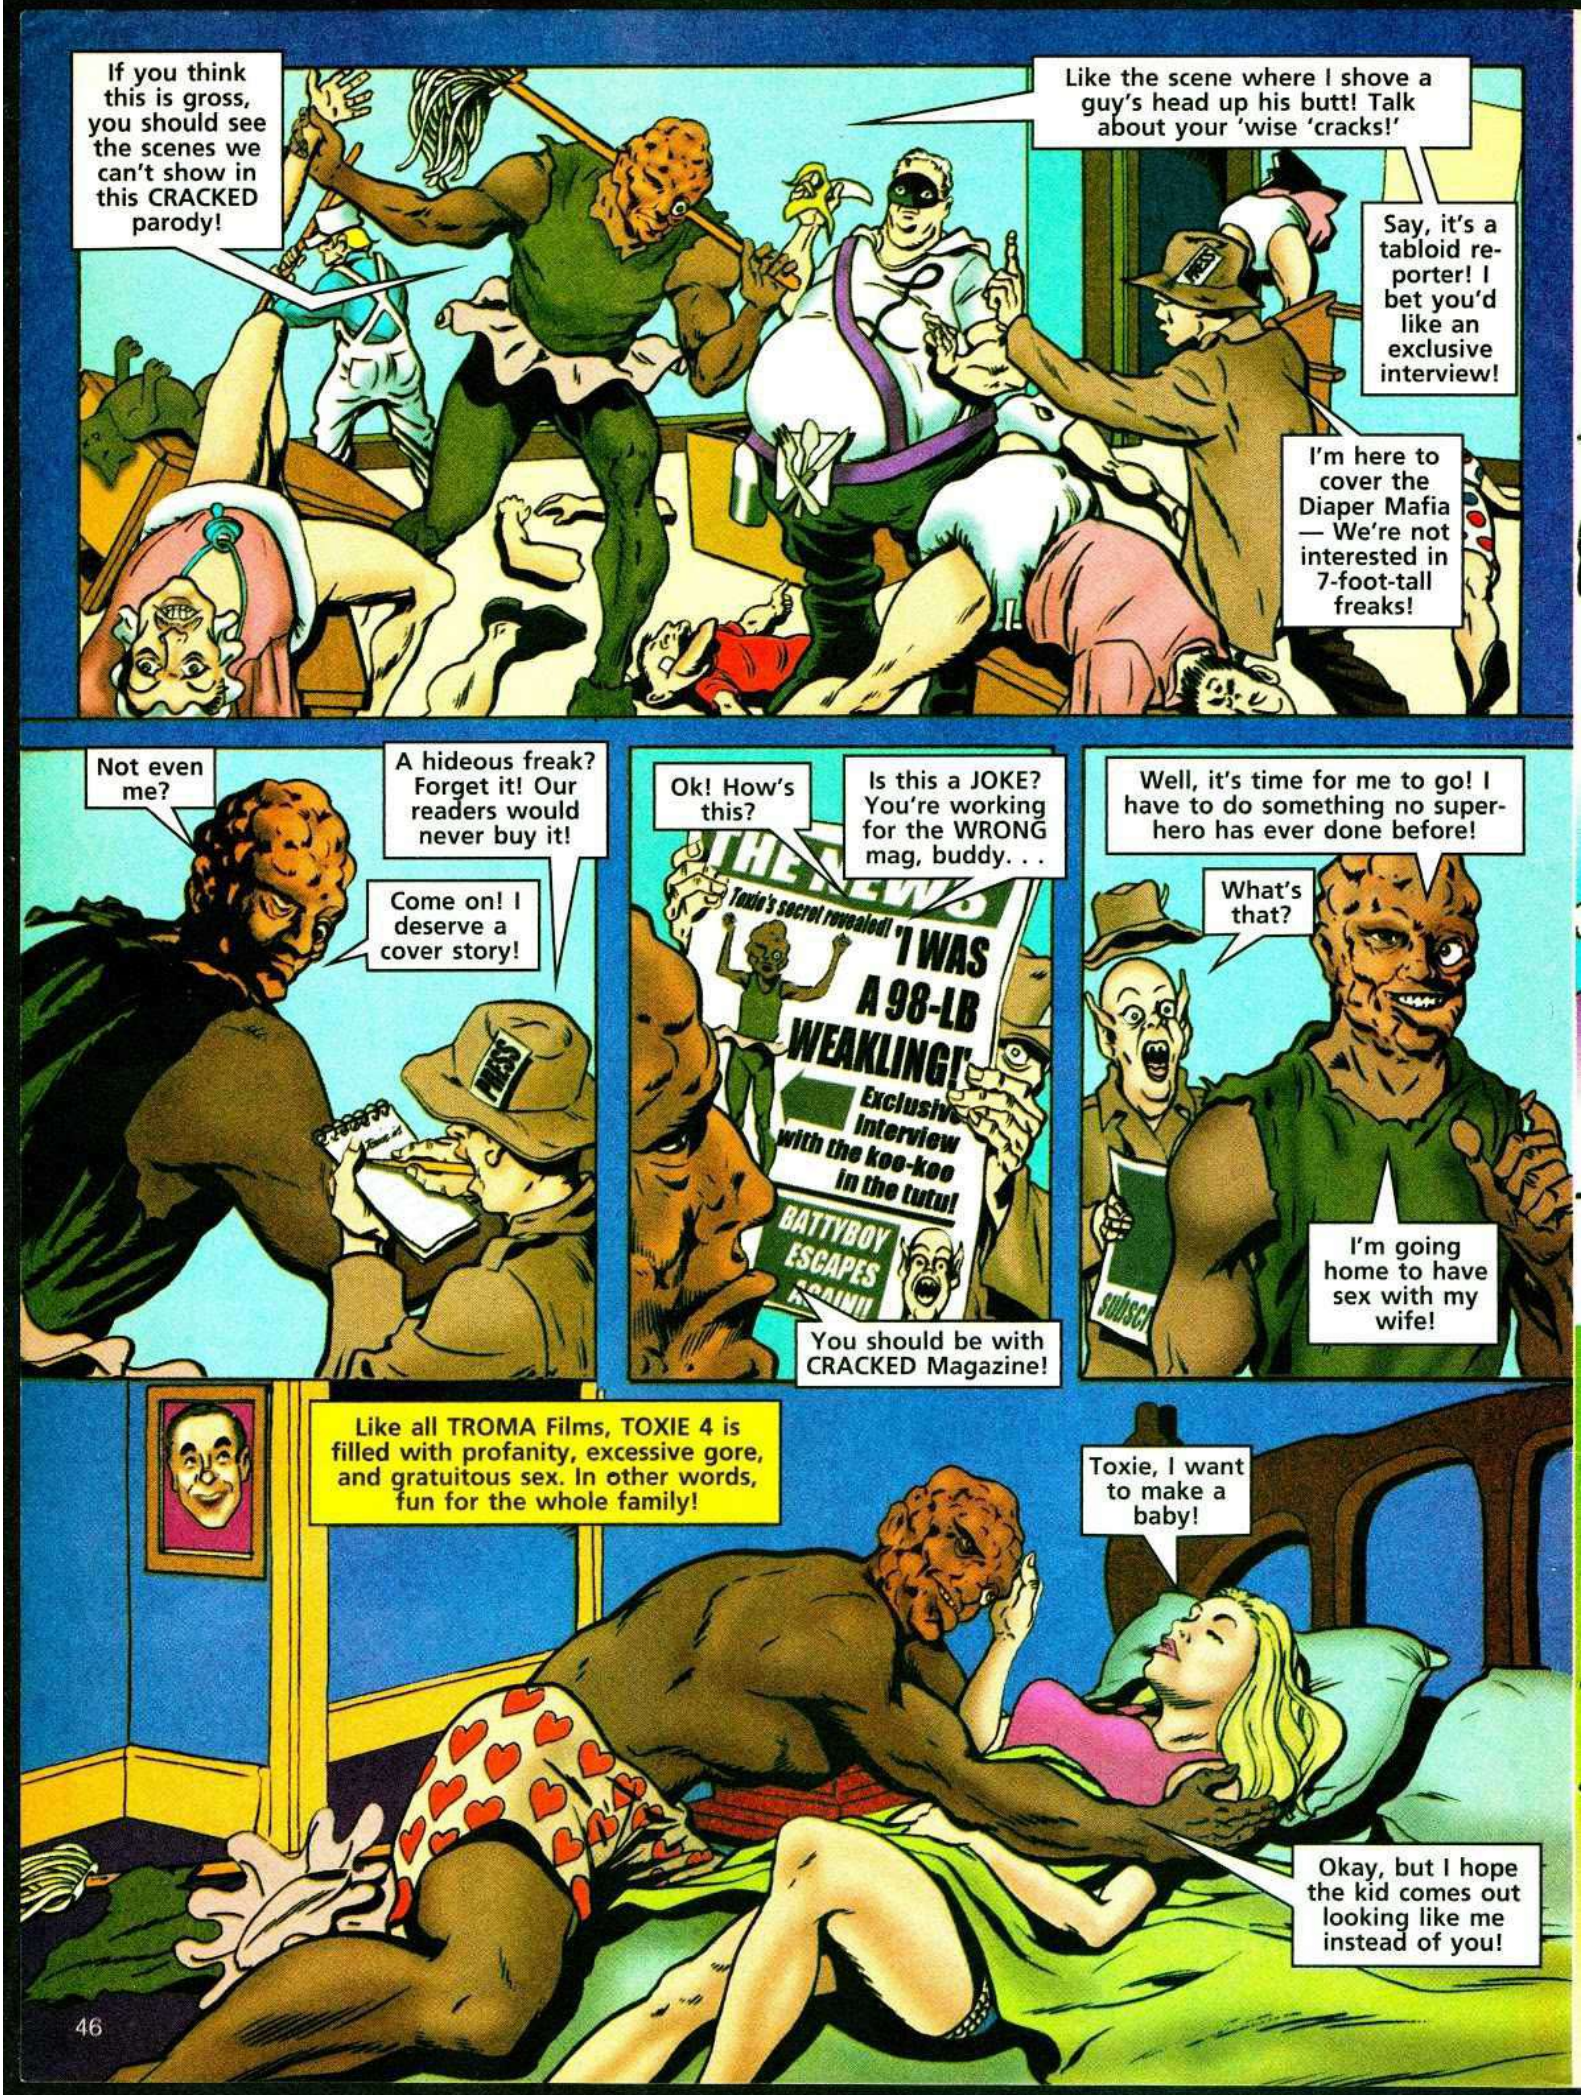
You bad apples shouldn't pick on your teacher! Where are your heads at?

Editor's Note: Only Rednecks and blondes were used in the filming of this picture. No animals were harmed.

When I disarm a foe, I really dis-arm him!

I'll go out on a limb and say you won this arms race, Toxie!

I'd call this a farewell to ARMS!



If you think this is gross, you should see the scenes we can't show in this CRACKED parody!
Like the scene where I shove a guy's head up his butt! Talk about your 'wise 'cracks!'
Say, it's a tabloid reporter! I bet you'd like an exclusive interview!
I'm here to cover the Diaper Mafia — We're not interested in 7-foot-tall freaks!
Not even me?
A hideous freak? Forget it! Our readers would never buy it!
Come on! I deserve a cover story!

You should be with CRACKED Magazine!
Well, it's time for me to go! I have to do something no superhero has ever done before!
What's that?
I'm going home to have sex with my wife!
Like all TROMA Films, TOXIE 4 is filled with profanity, excessive gore, and gratuitous sex. In other words, fun for the whole family!
Toxie, I want to make a baby!
Okay, but I hope the kid comes out looking like me instead of you!

This movie uses one of the oldest plots there is: the old evil twin bit!
Hi, Toxie! I'm your evil twin, Noxie!
Too bad we're IDENTICAL twins! Have you checked a mirror lately? YUCK!
Toxie's doppelganger comes to our world, where he begins a campaign of terror!
Look, I made a JIGSAW PUZZLE! I hope I have all the pieces!
YIKES! This evil Toxie is much different from the real one! This one dismembers innocent people as well as guilty ones!
The evil Toxie faces some of the greatest champions of our world . . .
Phartmaster, Captain Cow and WEDGIE BOY!?
Looks like Cracked Magazine's launching their own brand of superhero comics!
Meanwhile, the real Toxie finds himself on a world where everything is backwards!
Bill Clinton is a loyal husband . . . the Fox network is showing tasteful programs, and Britney Spears has natural breasts?
Gas prices drop 50%!
Nixon wins 10th term!
NOTHING BUT GOOD NEWS HERE FOLKS!
What a bizarre place!
On this world, even OJ is innocent!
100% innocent!
And Ally McBeal is over-weight!
This world is insane! I must escape from this dimension and get back to the real world!

Back in our world, the evil Noxie sleeps with Toxie's wife . . .
Come on, Sarah! Let's make a baby again!
But honey, we already did it once this year... oh all right! Times like this, I'm glad I'm blind!
Within Sarah's womb grow two fetuses: One good, one evil!
Which one of us is supposed to be the evil one?
Whichever one of us can shove the other's head up his butt!
Toxie returns to our dimension for a big showdown with Noxie!
Let's go, you phony freak! You and me - head to ugly head! Mop to mop! And may the best hideously deformed creature win!
I'll toss you out on your tutu, you toxic waste!!
Don't mind me, I'm just the cleanup crew!
Finally, the good Toxie rips out the bad Noxie's heart...well, sort of . . .
I did it! I win!
Let's just say Cracked Magazine sanitized the ending . . . slightly!
The evil baby vanishes, the good baby is born! Now, one task remains...
Honey, the baby needs to be changed!
Forget it! Too gross, even for me! Stinky diapers! EWWW!!!!
This movie has all the same mindless gore and violence of the other Toxic Avenger movies, so I give it two big fingers up my nose! Watch for the sequel: TOXIC AVENGER 5: Look Who's Pooping!
